PRESI REPORT

Dear Members, Grüezi,

I trust this newsletter finds you and everyone around you safe and well.

Last time I mentioned that the dust has settled since moving out of Green Point and that we were looking forward to some new club life. Well, little did we expect that through most of winter, this was still not the case and only since September, we are again allowed to have some social gatherings. Within limitations still. Quite sad this is.

Obviously thus, neither a physical AGM nor the Swiss National Day celebrations from 31 July to 01 August could happen and regretably also, neither did any other potential gatherings we would have liked to start with.

To date, we are resulting in smaller, more spontaneously organised events. But with a very otherwise

involved committee (the issue with a 'young committee') this creates some challenges naturally. We thank you for your understanding, patience and your support in these times!

Whilst we were hibernating, other than renovating and refurbishing Jonkies, we have managed to FINALLY update the member base and parts of our website to create an easier process for everyone. You might notice that all logins and restrictions from our website have been removed and calendar, newsletter etc are available to every visitor of our site again. Our new membership manager whom you have been introduced to in a recent email will also start with a round of data capturing to update your personal data which will make membership renewals etc. much easier. You will now again receive a 'digital membership card' if you purchase a 2022 membership -

which you can store and/or print out and use for Edelweiss luggage bookings etc.

All of your personal data is stored on Hubspot and in accordance with the new POPI act. We only store your names, birthdays – and your contact details according to membership application and no sensitive information is stored by us. You will be able to opt in and out from any mailers at any given time.

Please note our forthcoming events section as there are some special things happening including Samichlaus at Jonkies, a New Year's Brunch etc.

... and the big raffle is back very soon! Watch out for news!

Bis bald,
Christian

FRAUENTREFFEN

After missing out on so many gatherings, we were overjoyed to hear that we had been invited to the residence by Mrs Juçara Thür, the wife of our newly appointed Consul General. So, it was on a rather breezy day in May that eleven of us climbed the stairs to the residence to be welcomed by our hostess and directed to a beautifully decorated table. Once settled, we were invited to help ourselves to all the tempting dishes, savoury as well as sweet, including several home-baked cakes and tarts, laid out on various surfaces around us. Time passed quickly while enjoying the delicious fare and trying to catch up with everyone's news, until we suddenly realised that it was high time to get on the road again if we didn't want to get caught in the worst of the rush-hour traffic. Thank you very much Juçara for inviting and spoiling us, we had a wonderful time!

It took several months before we could get together again, and it was only on 26 September that eight of us met at the gates of the famous Kirstenbosch Botanical Gardens. Of course, we chose to visit on a Tuesday, when seniors are granted free entrance. Once inside, we decided to go for a little walk before lunch to admire and photograph the magnificent sight of all the colourful spring flowers in bloom and enjoy the awesome view from the "Boomslang", the tree canopy walk. Now we were ready for our planned luncheon at the Moyo Restaurant. It took a while to get settled and to put in our individual orders – and then we waited ... and waited. Although, when we eventually received our food, one by one, it couldn't be faulted, but I'm afraid the interminable wait had rather spoilt our meal experience. However, the gardens had made up for it, and we all felt that we'd had a lovely and worthwhile outing. Thank you, Therese, for tirelessly finding and

organising ever new opportunities for us to get together, it is much appreciated.

We have lost two of our members, who have gone to the great shooting range in the sk. Our beloved past-president for 15 years, Heinz Mettler's big heart finally gave in. He will be greatly missed by all. The kind and gentle Ralph Lock succumbed to the dreaded Covid. Our sincerest condolences to both their families and loved ones.

Due to re-imposed lock-down regulations, we were unable to present the second .22 rimfire competition at the WCSU / MSA range at Atlantis, although we were able to continue with our regular shooting programs at both the Atlantis Good Hope and the Klawer ranges.

On Saturday the 19th of June we took part in the de-centralized Auslandschweizer Schiessen at Klawer. The weather was reasonable, and good scores were achieved. Cape Town had the highest number of participants (31) of the fourteen competing clubs. *Congratulations* to Eric Sewell, who achieved an outstanding score of 97(!) with his carbine and was crowned "Auslandschweizer Schützenkönig". He beat 187 shooters, with the runner-up scoring 95. Greg Schaufelbühl and Stefan Burri (who competed in Switzerland) scored 91, Mick Kleb 90, and Lisa Ryser, Paul Schweizer, Gert Behrendt, Karin Schmid, and Jason van der Walt achieved 88. Well done! The SRC came 7th out of 14 competing clubs.

Not since the Piggy Shoot did we have such an enthusiastic crowd of young and novice shooters, as we did at the 'Victoria Pub' friendly shoot, where we entertained the Fish Hoek pub's staff at a 200m shoot. After the shoot we were hosted to a braai and free drinks at the pub. This may become an annual event and attract more younger people to the shooting sport!

Our last program shoot was rained out against the weather predictions. The bench-rest shoot "Fleissige Biene" (Busy Bee) attracted 11 participants. As a side-show, a club .22 rifle was used in the standing position to shoot at a small swinging target at 50m.

Our year-end function will be held in the afternoon of November the 27th, at Stonehurst Mountain Estate opposite the Westlake Golf Club.

Wishing all readers "Güet Schuss!" & 'Yours in Shooting!'

Due to covid the traditional date of the Argus tour was moved to the 10 of October 2021. Many people from overseas did not participate because of travel restrictions and quarantine requirements. There was a small group of Swiss Cycle Club members who took part in this years Argus tour or correctly the CTCT (Cape Town Cycle Tour). We had to find a new venue for the pasta evening (Swiss Club closing) and Alvin spontaneously offered to have it at his spacious house in Sea

Point. Thank you Alvin . The pasta evening with pasta and sauces from the Pasta Factory was a success . All the present people gave their forecasts as in previous years . On Sunday the race took place with no incidents and by excellent wetter. As usual we had Mett Broetchen and Cervelat and Bratwurst partly sponsored by Gastro Foods . Thank you Andreas .
